

## PRESS RELEASE

### **Summer Infant Hand-Held Video Monitor 'Check-in' on Baby anywhere in the House**

---

January 2006 - The Summer Infant Baby Quiet Sounds Hand-Held Video Monitor is ideal to 'check in' on your baby as it can be placed anywhere in your home and gives you peace of mind however busy you are.

Using the most up-to-date technology, it is a compact and portable video monitor coming complete with colour video screen, 3 channel option, snooze feature, night vision and audio reception. It also features a rechargeable battery pack and charges whilst the monitor is in use.

The belt clip makes it easy to carry round and the flip stand is perfect for upright viewing.

The Summer Infant Video Monitors are available at ToysRus, Baby Monitors Direct, Perfectly Happy People and retail at £129.99.

#### **About Summer Infant**

Summer Infant, a leading US based company, has been present in the UK since 2002.

The company specialises in health, safety and comfort products for babies and toddlers, and prides itself in delivering more and better features than similar products on the market. Summer Infant constantly strives to produce high quality, innovative products parents and

carers can trust. The Summer Infant range includes the very best in bouncers, monitors, bath accessories, gates, bedrails, infant health and more.

In recognition of its product excellence, Summer Infant has recently been nominated for and won a number of prestigious awards in the UK, such as Best Health Care Product at the Practical Parenting annual awards with its Grow with me Ear Thermometer, and the Gold award for Best Monitor at the Mother & Baby awards.

Summer Infant products are sold in major high street retailers such as Mothercare, Argos, John Lewis, ToysRus, Tesco, and through direct channels such as Boots.com, Blooming Marvellous, Jojo Maman Bébé.
