For use with children 2-5 years of age.

INSTRUCTION MANUAL

SURE AND SECURE™ TRIPLE BEDRAIL

Thank you for buying the Sure and Secure Triple Bedrail from Summer Infant. It's the only three-sided bedrail on the market, providing toddlers with extra security at bedtime. This triple bedrail can be used with or in place of a headboard or footboard. The triple bedrail is easy to install and requires minimal assembly. It provides parents with a comfort knowing that their child is less likely to roll out of bed.

WARNING

Suffocation and Strangulation Hazard.

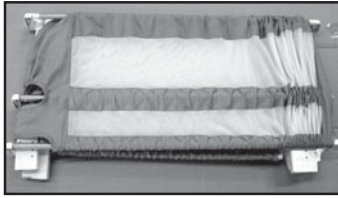

Death or Serious Injury Can Occur:

- Bedrail can trap young children against mattress, headboard, or footboard.
- Use only for children who have outgrown a crib. **NEVER** use in place of a crib.
- Use only with children who can get in and out of adult bed without help.
- **ALWAYS** keep bedrail pushed firmly against mattress and at least 9 inches from headboard or footboard.
- **NEVER** use on toddler bed, bunkbed, waterbed, or bed with inflatable mattress. Use only on adult bed with mattress and box spring.
- Discontinue use if damaged, broken or if parts are missing.

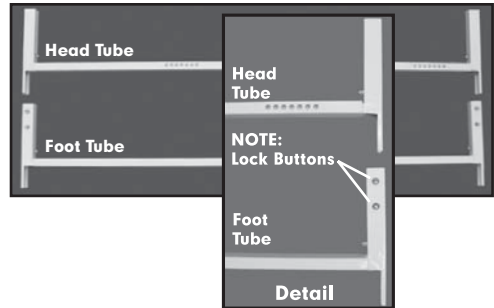

NOTE: Periodically check the bedrail for tightness to ensure bedrail is snug against bed.

FEATURES & COMPONENTS:

Three-sided Bedrail Assembly:

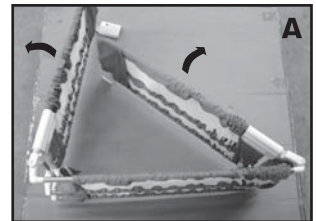

Mattress Tube Assembly (two):

SET UP:

Step 1:

Unfold left and right bedrail sides as show in Figure A.

Step 2:

Expand the left bedrail side lengthwise by holding left and right ends of bedrail and pulling outward (see Figure B) until you hear a button click. **NOTE: Verify that the buttons are properly engaged by feeling under the center of the top rail and the center of the bottom rail as shown is Figure C.**

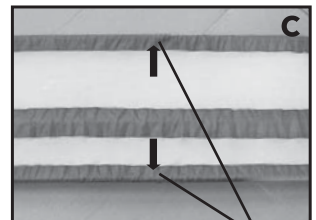

Step 3:

Repeat step 2 for right bedrail side.

Step 4:

This bedrail fits twin and full size mattresses. For twin mattresses, expand middle rail lengthwise until you hear a button click. For full size mattresses, expand wider by pressing spring loaded button under the fabric on the top rail and then expanding farther until you hear button click. See Figure D.

Button under fabric

NOTE: Verify that the button is properly engaged by feeling under the top rail as shown in Figure D.

Press Button and Expand

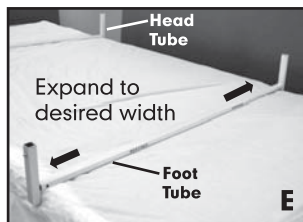

SET UP:

Step 5:

Remove mattress from bed.

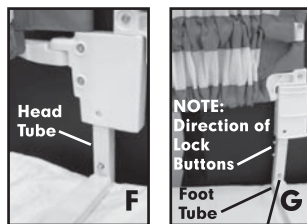

Step 6:

Press button on mattress tube and expand outward to desired mattress width as marked on tube making sure the ends of the tubes are tight against the box spring. Repeat on other tube. See Figure E.

Step 7:

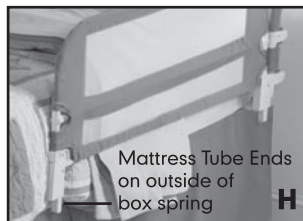

Attach bedrail onto mattress tubes as show in Figure F & Figure G. Note direction of "Lock Buttons". Mattress tubes should click into place. Repeat for other side of the bedrail.

Step 8:

This three sided bedrail assembly may be placed at the head OR foot of the bed. Position bedrails on box spring making sure mattress tube ends are on the outside of the box spring. See Figure H.

Be sure button is engaged

Step 9:

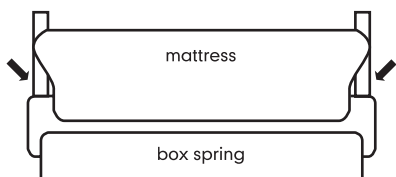

Place mattress back on bed. See Figure I.

Step 10:

If side bedrails are not snug enough, remove mattress and decrease the width of the mattress tubes by pressing the spring loaded button and compressing tubes to next narrowest setting.

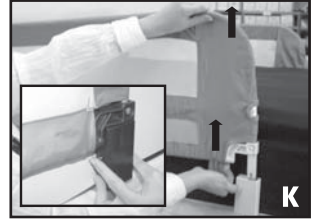

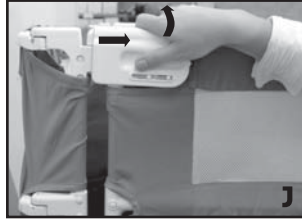

IMPORTANT NOTE: To Ensure against entrapment hazards, make sure there are no gaps between all three sides of the bedrail and the mattress. Slight deformation of the mattress is acceptable. See diagram below.

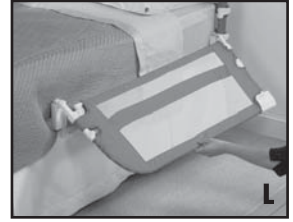

TO FOLD DOWN BEDRAIL:

To fold bedrails down, slide handle back and lift top rail up enough to disengage lock post. See Figure J. On the same bedrail, press spring loaded button on the bottom and lift side rail to fold entire bedrail down. See Figure K. Both bedrails can be folded down.

When folding bedrail back up, make sure the bottom front of the bedrail is securely snapped back into housing and button is engaged. Slide the handle back on the top rail to re-engage lock post.

TO LOOSEN BEDRAIL FOR REMOVAL:

Fold down each side of bedrail and remove mattress.

TO CLEAN:

To clean this Sure and Secure Double Bedrail, surface wash with damp sponge, mild soap and cold water. Rinse and lay flat to dry. Do not remove fabric cover from frame.

Feel free to contact us at the below phone number or email if you should need to order replacement or additional products.

We at Summer Infant stand behind all of our products. If you are not completely satisfied or have any questions, please contact our Customer Service Department at 1-800-268-6237 or e-mail us at customerservice@summerinfant.com.
