

## WARNING!

**STRANGULATION HAZARD** – Keep cord out of baby's reach.

**NEVER** place camera or cords within 1 metre of the cot.

Use enclosed Security Clips to help secure cord away from baby's reach.

Never use extension cords with AC Adapters. Only use the AC Adapters provided.

### CAMERA SET UP & USE:

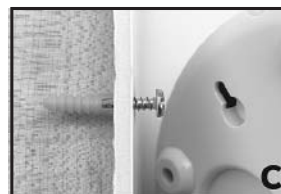

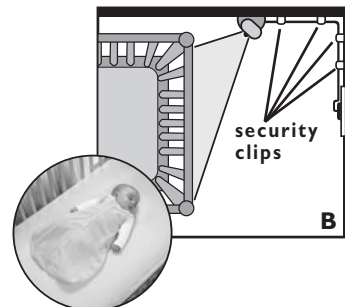

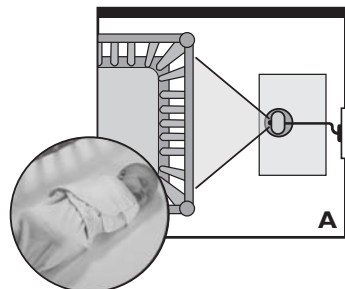

#### Table Top or Wall Mounting:

Determine a location for the CAMERA that will provide the best view of your baby in his cot. Place the CAMERA on a flat surface, such as a dresser, desk, or shelf (Figure A), or mount the CAMERA on a wall (Figure B). **NEVER** place camera or cords within 1 metre of the cot. Secure the cord to the wall using the 6 Security Clips included to keep cord away from the baby's reach.

**Be sure to test reception and CAMERA positioning before mounting to a wall** (see "Testing Your Initial Set Up" section).

#### To Wall Mount:

- Pre-drill a hole in the wall (5 mm drill bit) (Figure C).
- Insert the wall anchor (included) into the hole and with a hammer, tap gently on the end until the wall anchor is flush with the wall.
- Insert the screw (included) into the wall anchor and tighten screw until only 6 mm of the screw is exposed.
- Insert AC Adapter into the CAMERA's AC Adapter Jack.
- Slide the back of the CAMERA down onto the screw until the CAMERA is secure to the wall.
- Plug the AC Adapter into a standard electrical outlet.
- Secure the cord to the wall using the **6 Security Clips** included to keep cord away from baby's reach (Figures B and D).

## **WARNING:**

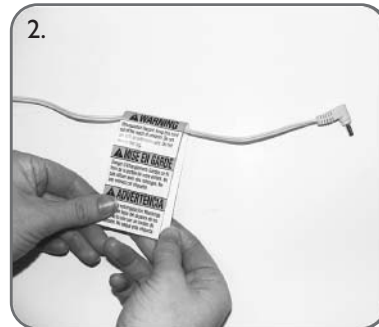

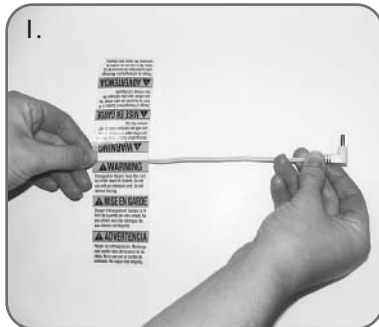

**STRANGULATION HAZARD!** - Children have **STRANGLED** in cords. Keep this cord more than 1 metre away from the cot. Do not use with an extension cord. Do not remove this tag.
